Accessories

A large range of accessories allows City Classic outdoor panels to adapt to any situation, position or different types of wall.

SURFACE BOX

For surface installation. Necessary when the hole in the wall cannot be made for the flush mounted box

DECORATIVE FRAME

Recommended in installation when replacing a bigger outdoor panel.

HOOD

To protect the outdoor panel in case of bad weather conditions.

ANGULAR COMPLEMENT

To install the outdoor panel in places with difficult accessibility.

FERMAX

FERMAX

City Classic Panel

City Classic is the FERMAX original and avant-garde outdoor panel with a convex-curved profile.

Gifted with a genuine urban character, it is the ideal range for audio installations for any type of building.

Manufactured in a highly weather-proof anodised aluminium. A cellular rubber waterproof seal, ensures perfect fitting of the wall.

Citymax Telephone

Citymax telephone represents the classic and versatile model from Fermax.

Manufactured in white ABS plastic with a texturised finish for easy cleaning as well as ultraviolet protection.

Includes different attachment points to install on the wall.
